"In what can be a complicated undertaking for both parents and students, ACS helped me and my family navigate the college (and financial aid) application process to an extent that exceeded mere tutoring. I worked with ACS on PSAT, SAT, ACT and LSAT prep, and with drafting my college and law school essays; the personalized instruction helped me earn National Merit Scholarship consideration and a perfect score of 36 in one sitting on the ACT."

SELECTION CRITERIA / INCOME QUALIFICATION

- Verifiable family income less than \$85,000 (combined parental income if separated)
- Minimal financial assets (excluding housing)
